SHRI DHARAM CHANDER PRASHANT: What is the number those spies arrested?

MR. CHAIRMAN: No, no. This does not arise. The question must relate to the main question.

श्री चतुरानन मिश्र : अब स्पाइसिंग काम बड़ा ही एडवांस टैक्नोलोजी का काम हो गया है । पाकिस्तान हमारे बहुत ही नजदीक है और थर्ड वर्ल्ड कंट्रीज उतने साइंस एण्ड टेक्नोलोजी में डवलोप्ड नहीं हैं कि काऊन्टर स्पाइसिंग का काम वह कर सकें तो क्या यह संभव है कि युनाइटेड नेशनस में ऐसी कोई व्यवस्था हो जिससे जो राष्ट्र विकसित हैं, उनको इससे सुरक्षा प्रदान की जा सके ?

SHR K. R. NARAYANAN: That is precisely one of the reasons why we have put so much emphasis on science and technology and are going into the 21st century.

MR. CHAIRMAN: Question No. 354.

Bogus visa rackets

*354. DR. MOHD. HASHIM KIDWAI : Will the Minister of HOME AFFAIRS be pleased to state :

(a) what is the number of bogus visa issuing rackets unearthed in Delhi during the last two years;

(b) what are the details of action taken against persons involved in such rackets; and

(c) what remedial measures Government have taken in this regard?

THE MINISTER OF HOME AFFAIRS (SHRI S.B. CHAVAN): (a) and (b) A statement showing the cases registered for issuing of bogus visa and action taken against the culprits during years 1983, 1984 and 1985 (upto 15-11-85) is laid on the Table of the House.

(c) Government has appointed a Protector General of Emigrants to curb illegal acts. Whenever any such complaint is received, prompt legal and remedial measures are taken under the provisions of law.

Statement

Year	Cases registered	Cases admitted	Pending trial	Pending investigation.	Persons arrested
1983	13	13	8	5	27
1984	15	15	8	5	30
1985 (upto 15-11-1985)	7	7	—	7	14

DR. MOHD. HASHIM KIDWAI : Sir, in the first place, I would like to thank the hon. Minister for supplying the up-to-date information, that is, up to November 15, 1985. In this connection, I would like to know the reason why cases admitted as early as in 1983 are still pending and why cases under investigation are still pending and why so much delay is there.

SHRI S.B. CHAVAN : Sir, so far as cases which are pending in trial are concerned, normally they take quite some time. But ultimately it is

for the courts to take a decision whether to grant adjournment or not. Normally the practice that we find is that they can easily give adjournments when the parties ask for the same. About pending investigations, there are certain limitations. Some of the documents which have been seized have to be sent to the forensic laboratory for getting their report. It takes some time in getting the report.

DR. MOHD. HASHIM KIDWAI : When was this Protector General appointed?

SHRI S.B. CHAVAN : I don't have the exact date with me.

MR. CHAIRMAN : Any supplementaries on this?

SHRI M. S. GURUPADASWAMY : May I know from the hon. Minister whether he has got any information as to which are the countries in the world which do not require visas for visits ?

SHRI S.B. CHAVAN : I don't have the information. I require notice, Sir.

MR. CHAIRMAN : Question No. 357.

Delhi Police

*357. SHRI V. GOPALSAMY: †
DR. SHYAM SUNDAR MOHAPATRA :

Will the Minister of HOME AFFAIRS be pleased to state :

(a) what is the present strength of Delhi Police, category-wise;

(b) what is the number of full-fledged police stations and police chowkis separately;

(c) what is the police station population ratio at present and what is the ratio of police in the capital;

(d) how many mobile patrol vans/jeeps/cars are in Delhi, categorywise, how many have been added recently to the fleet and what had been the expenditure thereon; and

(e) whether Government have a proposal to add more police stations in Delhi; if so, what will be the criteria adopted for selection?

THE MINISTER OF HOME AFFAIRS (SHRI S.B. CHAVAN) : (a) Statement-I, is laid on the Table of the House.

(b) The number of police stations and chowkis is as under :—

1.	Police Stations	78
2.	Police Chowkis (posts)	47

(c) The police stations population ratio is 1:1,09,792 and police force population ratio is 1:236.

(d) Statement-II is laid on the Table of the House.

(e) Yes, 25 police stations in next 2 phases, 13 police stations in the second phase and 12 police stations in the 3rd phase. On the recommendations of the Srivastava Study Group, as soon as the population in any police station exceeds 1 lakh or when the number of crimes within the jurisdiction of a Police Station in a year crosses 750, the bifurcation of Police Stations is considered.

† The question was actually asked on the floor of the House by Shri V. Gopalsamy.
